SCHOOL ANNUAL REPORT - 2025

Good Evening ! distinguished **Chief Guest Hon'ble officer Thiru. A.K. Kamal Kishore IAS, District Collector,** revered **Chief Educational officer of Tenkasi District, Madam. L. Regini ,** respected District Educational Officer for Tenkasi District Pvt Schools, **Mr. C. Marimuthu,** Welcoming dignitaries on the dias, our beloved correspondent **Respected Mr. Sheik Uduman Sir, Cherrished School Manager , Mr. Habibullah sir and our school Administrative officer Madam. C. Palaniammal,** all cheerful parents, Students and All Teachers. I am glad to greet and welcome you all with my happy greetings this evening.

I am indeed honored to have this opportunity to present before you the consistent upward graph of our school's achievements and I would like to thank each one of you for being a significant part of this glorious journey.

The Annual Report showcases the achievements and glories of our school undoubtedly, but also makes us think deeply about our future plans. We have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality.

We set standards and goals for ourselves and strive to achieve them – be it in the area of academics, sports, discipline, leadership and more.

ACADEMIC

"Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great"

Global Public School traveled a shorter journey from 2020 and it has certainly reached the remarkable milestone having produced two batches to CBSE Grade X and one batch of Grade XII till 2024-25.

The Result of First batch of Grade X has given us hike and motivation to fly high with the Upcoming batches. We strongly believe and confess that this awaited result of 2024-25 will take us to the next level of achievement.

Apart from this, We focus of 21st century skills and ensure that the students of Global Public School attains it right from the Kindergarten.

We also conducted Various Intra School competitions to enrich the presentations skills of our students.

Grade –I to IX Students participated eagerly in competitions such as Colouring, Poster making, Art From waste, Tamil and English elocutions and they all were encouraged and appreciated with Certificated and awards . This brought them the revival in the creativity and presentation.

As you all know the modern world merges in to AI powered Globe, our students need to acquire continuous knowledge and since we teach AI- Coding classes right from Grade – III Where our children learn computer coding with enthusiasm.

In this AI popular world, hand in hand goes the communicative skills. Keeping this in mind we simultaneously focus and ensure that our children of Global Pubic School master the skills of Computer coding and Communicative skills equally to handle the modern challenges ahead.

Not only that our Global School Kids are shining as they also get trained in the area of Public Speaking Skill which will awaken the leadership capacity in them. Regular Public Speaking activities are held in every day assembly and elocution competitions are held in regular intervals.

Equally we focus on the arithmetic skills of our kids in primary level. We have exclusive classes for Abacus for Grade 1 – 5. The abacus training enhances the brain stimulation towards creative, quick thinking and decision making with kinesthetic coordination. Achievements are plenty in the abacus part.

Sports

We at GPS enhance the Sportsmanship of our students by giving them enough opportunities to play and win in the field of sports. This involvement and enthusiasm in sports activities of our children has gotten us Fit India School Award by Ministry of Sports.

To support the forgoing statement, the following achievements in sports by our students stand as testimonial proof.

In Silambam Copmetition held at Kamarajar International School, Kovilpatti on 4th September Our students Gunasekar of Grade VIII and Kirthik of Grade VI Won 2 Gold Medals in the Under-12 and 14 categories

Our students performed very well this year in sports. Their dedication and teamwork made us proud. We thank the coaches, staff, and parents for their support. We hope for even better achievements next year!

To celebrate their Sports Achievements, we celebrated Annual Sports Day on 8th March 2025. The Spots day had the sincere protocols of Olympics. The celebration started with the ceremonial lighting of Olympic Torch.

This celebration included the Elegant march past by our School Houses' Students. The Sports champions were awarded with certificates and medals to continuously support and motivate the enthusiasm of our students.

To cater the spirit of Socials service and civilian duties, we have introduced Bharath Scout and Guided for our Student. A team of 12 students were selected from Grade VI – X to be trained as Scout volunteers and they now involve in a lot of civilian tasks inside and outside the Campus, Fist we initiated the Sapling planting inside our school campus.

Time and again our scout volunteers undergo formal training by Bharath Scout and Guides. Recently our Student of Grade IX Master, Dharunkumar Attended a 7 days National Diamond Jubilee Jumboree Camp at Trichy. This was spectacular. Out of

28 Scout Volunteers from Tenkasi, Our Student Dharunkumar also the one to attend this rare training.

And now 11 of our students are at Scout training at Cunnoor, Bharath Scout and Guides State Training centre. The exposure that they will receive in this camp will surely uplift the leadership traits of our students. We are proud and happy for our students who experience varied horizons under this one roof called Global Public School.

Education extramural.

In this ever evolving competitive world the newer next generation students learn elaborately through activities and celebrations than what they learn in the class. To cater the easy access to learning of new things, we provide them with a lot of opportunities by celebrating All national days and festivals such as Independence day, Republic Day, Children's Day, Teachers' Day, Chritmas, Diwali, Pongal and so on. We witnessed that these celebrations bringing awareness, unity and team work. As I mentioned earlier, undoubtedly they learn more out of the classroom than what they learn inside the walls.

Here we display some of the glimpses of our celebrations for your admiration.

Republic Day celebration.

To rejuvenate the Spirit of Patriotism, We celebrated the Republic Day on 26th January 2025 where our students dedicated their time and tide to respect the Freedom fighters and they introspected themselves to uplift the quality of such a freedom that we attained. They contributed to speak, dramatize and perform on the theme of Republic Day.

Pongal Celebration

The celebration of pongal gave a vivid picture to student about where we belong and how we are at such a privileged and civilized beings. We conduced house wise

competitions on Pongal Celebration which was completely fun and indeed it taught a lot in the terms of Team work and celebration.
Students and Teachers Prepared House wise pongal the competition was high and indeed a remarkable one.

KG Graduation Day.

"We display what we are displayed."

To prove this thoughtful saying, we teach our KG kids the value of Education.

We organized a Senior KG Graduation Day to houour of KG Kids as they complete their KG Training. This Celebration gave an exposure to the students about the value of time, hard work and how to honour people on accomplishments. The Gradation Day started with the Procession and Awarding of Convocation to the Senior KG Students.

Future Plans

In the same manner in the upcoming academic years also we have lot of new implementations and modifications in our pedagogy and teaching styles.

Right from KG – V We have updated the books form Uolo Curriculum which will further brighten the learning style of the students and this Particular curriculum will connect the students to what I was saying in the beginning , A1- Powered world where they learn the competitive skills such as communicative skills, Prompting skills, scripting skills and problem solving skills.

We have planned all the activities of the School and we have printed it in the school diary which will be released to the students during the notebook distribution.
Exam Schedules, Competitions, Activities and other upcoming events are transparent to the parents. This planned work will certainly bring us to the next level of implementations.
Exclusive reading classes and handwriting classes are set to enrich the reading efficiency and style of writing.

Higher grades VI and above will have NEET and JEE Coaching and we have already collaborated with the LEAD NEET and JEE Foundation who offer courses for VI – X and NEET & JEE crash courses for XI Graders from this academic year onwards.

Conclusion

We, the Global Public School ambassadors strongly believe that the upcoming academic journey will be a greater experience for our Global Public School Children. Yes, Dear all parents and stakeholders, be ready to witness our students achieving greatness and bringing laurels to the institution. We propose to create responsible students for the future who would also be leading with example in the future. I also place my sincere thanks to all Parents for their continued support .I admire our team our teachers for their selfless service to the stakeholders for creating a stronger nation. I appreciate all the students of our School for rightly feeding on the intellectual food served by the teaching faculties in right proportions. Last, but not the least. It is my pleasure to express my gratitude to our beloved Correspondent Sir . **Thiru Sheik Uduman** for his visionary mission in educating the rural masses, that will surely benefit the millions in the decades to come.

I once again thank all of you for patiently listening and making this Annual Report presentation pleasant for me.

Thank you.
